How often do you get complimented on your booty? Well, I get it a lot. I make sure it's ready for action because you never know where it's going to come from. I especially like having a guy bury his face in it and lick my pussy and asshole from behind. I can just close my eyes and fantasize about what wonderful things will cum next. If you like me and you can't wait, turn the page.

TWO HOSES FOR HANNAH

“Can I borrow your hose?” asked Hannah.

It took some doing, but I managed to suppress a chuckle. Last thing I wanted to do was offend the boss’s daughter. After all, this was her first day.

“Of course,” I told her, proffering the hose. “Be my guest.”

I was sick of watering the caladiums, anyway. They were all hers. Hannah’s initiative surprised me. I had taken her for the lazy type. Maybe she had a thing for hoses . . .

I left her in the greenhouse and returned to the store proper.

Saturday, I thought glumly. It was going to be a long one. Unlike Hannah—a seasonal employee—I was full-time. I had been hired shortly after graduating from high school. Now, some eight years on the job, I hated myself for not studying harder and going to college. Assembling fertilizer spreaders and toting potted plants to cars wasn’t exactly a thrill a minute.

Granted, I wasn’t alone in my misery. William—everybody called him Will—was in the same boat. A few

years older than me, Will had taught me everything I knew, which was just enough to avoid getting canned . . .

The garden center was a family business. Two brothers, Billy and Bobby Wallace, ran the show, a couple of college baseball nuts who had mounted a big flatscreen on the wall so they could watch their alma mater, this while the rest of us did all the work. I entered the main showroom to find them clapping and whistling as if they were at the ballpark. I stood there watching the slow-motion replay of their beloved team turning a double play. Big fucking deal, I thought.

There was a time when I actually liked the game. But no longer. The arrival of baseball season meant more work, lots more, for Will and me. Of course, the upshot to this was the influx of seasonal help. The new face showed up each and every spring, eager and green and hopelessly naïve. Will and I had this stooge do the backbreaking grunt work like stacking sod and unloading fifty-pound bags of potting soil.

Which brings me back to Hannah . . .

This year’s stooge . . .

A fucking high school chick!

Hannah was a senior, bound for college, probably the same one her father had attended. As an employee she was going to be absolutely useless. This sounds awfully sexist, but she just wasn't strong enough for the job. Hannah would be no help at all.

I found Will clocking out for his customary early lunch.

"You met Hannah?" I asked him.

"Yeah, I met her," he replied. "Easy on the eyes, but..."

"But what?"

"Come on, man. She's worthless. Billy knows that. What the hell is he thinking? He always hires a dude, usually a high school football player built like a brick shithouse."

"I hear you."

Will sighed wearily. I knew he was thinking about all the work which lay ahead, hour upon hour of exhausting labor while Hannah, the boss's daughter, our so-called seasonal help, greeted customers and played with a water hose.

"Nepotism," I remarked bitterly.

Will told me to call him if he wasn't back in an hour. He didn't need to remind me. I knew the drill. Will always went home for lunch and took a nap. He had a bad habit of oversleeping. I must've called him a hundred times over the years.

"Sweet dreams," I told him, returning to the greenhouse to check on Hannah.

Well, that's not exactly true. Check out Hannah was more like it. She may have been a weak link, yeah, but she was hot. Blonde. Nice tits. Slim hips. Tight ass. She wore her uniform—garden center T-shirt and Khaki shorts—oh so well.

The neatly coiled hose lay on the ground. The caladiums dripped with moisture. But no sign of Hannah. I searched the greenhouse top to bottom, came up empty. Where did she go? Finally, after showing an elderly woman our selection of sprinklers, I found her in the

covered storage area out back where we kept the big bags of potting soil and cedar mulch. She was sitting on a short stack of the latter and smoking a cigarette. Frankly, I was surprised to see her smoking. She didn't seem the type. Dear old dad would have been disappointed. Clearly, his daughter had a rebellious streak. I wondered what other vices she had picked up . . .

"Thought I'd take a break," she told me. "I hope that's okay."

"I'm not your boss, Hannah. You don't need my permission."

"It's hot in that greenhouse . . ."

"You'll get used to it."

She looked at me strangely. "I won't be here long enough to get used to it. I'm strictly seasonal, remember? Come June I'll be heading to college. I'm going to start early, go to summer school and get a head start. I want to graduate early . . ."

Smart girl, I thought. Hannah had a good head on her shoulders. She offered me a cigarette. I declined. I drank plenty, mostly beer, but had never picked up the habit. Probably because both of my parents smoked like chimneys and the house always stank.

"Don't tell dad." She waved her cigarette. "He'd be pissed."

"I won't say a word," I assured her.

A saucy grin creased her youthful features. “You’re not going to blackmail me?”

“Blackmail?”

“Yeah, like they do in porn. You know, some old dude catches some young chick smoking or drinking or stealing, says he won’t tell just so long as she sucks his cock . . .”

Just hearing her utter the word “cock” gave me an instant boner. Hannah was certainly no goody two shoes. Cigarettes. Porn. Did she drink? Get high? Fuck?

“You like porn?” she asked matter-of-factly.

“How old are you, Hannah?”

“Eighteen.”

Her big blue eyes dipped low to focus on the front of my shorts. “You’ve got a hard on.” She exhaled a plume of purple smoke and tossed her cigarette on the ground. “I bet a guy like you would love to fuck a hot young thing like—”

“You’re all talk, Hannah,” I called her bluff. “I don’t have time for a high school tease. Get back to work before I tell your—”

“I’ll suck your dick right now,” she cut me off.

I studied her face.

“I’m not kidding. Whip it out. Let’s see what you’ve got . . .”

I whipped it out, but not before leading her to an

even safer spot. An unwanted interruption would have been disastrous. The small aluminum shed where we kept the poison—rat, gopher, roach, you name it—was perfect. I had a key to the big padlock on the door.

Hannah followed me into the stuffy gloom. Fully stocked shelves filled the interior, each and every canister labeled with a skull and crossbones.

She frowned. “What is this stuff?”

“Poison.” I flipped the light switch, casting a sickly yellow on the hazardous tableau.

“It’s hot in here,” Hannah complained.

I responded by unzipping my shorts and freeing my hard dick. Hannah liked what she saw. The saucy grin returned. She started to kneel,

but I stopped her.

“Take off your shirt,” I told her. “Show me those titties.”

Hannah complied. Her tits were everything I had imagined, perfectly shaped half melons capped with dark brown nipples. My hands rose instinctively. She sighed as I kneaded with deft hands, rubbing and massaging those marvelous jugs. Her nipples hardened. I took one in my mouth. Hannah moaned. Her hand darted to my cock.

She crouched and basted me, balls to flared glans, with her tongue. My shaft swelled. Grinning lewdly, I ran my hands through her silken blonde hair. Having thoroughly lubed my rigid tool, Hannah migrated to my nuts. Stroking me with her hand, she sucked and licked my balls with sloppy sluttiness. She devoured my entire ballbag; this while jerking her hand up and down. The girl was talented, for sure. I couldn’t wait to fuck her . . .

Moments later, having peeled her khaki shorts and paisley print cotton panties, I had her turn away from me and bend over. She held a shelving unit for balance, steadying herself as I moved behind her and plunged

my cock into her pussy. Shorts bunched around her stylish hiking shoes, panties stretched between her legs like taffy, my boss's eighteen-year-old daughter received me with a loud grunt.

I gripped her firm fanny with both hands, parting her cheeks as I proceeded to thrust. Hannah was amazingly tight. Her teen twat clenched my member in its hot embrace. I grabbed a handful of hair and yanked her head back. She responded favorably, moaning and telling me to fuck her harder, fuck her faster, make her dirty cunt come . . .

I succeeded . . .

Hannah cried out crazily.

I remained inside her, deliberately still, as the tell-tale shudders wracked her body. Finally, she peered at me over her shoulder. "Give me your poison. I want it all, fill me with——"

Her brazen request sent me over the edge. I emptied my balls inside her.

We got dressed and exited the storage shed. I was securing the padlock when Hannah mentioned Will. "What about him?" I inquired.

"I'm want to fuck him, too."

I smiled wryly. "I'm sure that can be arranged."

"An hour from now," she said with a straight face. "After my lunch break. Tell him to meet me right

here."

"Shit!" I barked suddenly.

"What is it?"

I rushed into the store proper, leaving her there to ponder my sudden exodus. Thankfully, Will hadn't overslept. I found him sitting on the floor assembling a bright red wheelbarrow. I told him all about Hannah. He didn't believe a word of it.

"What are you smoking?" he asked me.

"I'm dead serious. She wants to fuck you, man. I know that for a fact."

"Yeah, right . . ."

"The poison shed," I told him. "Meet her there in an hour. You won't be sorry."

And he wasn't. Not about the sex, anyway. But the poison was another matter.

In the throes of passion, Hannah had accidentally knocked over an improperly sealed canister of gopher poison. The pungent pellets had spilled all over the place. Nothing, and I mean nothing, stinks worse than gopher poison. Bad shit. Toxic shit. Prolonged exposure to the fumes can cause brain damage. Both Hannah and Will had puked their guts out . . .

I couldn't help but laugh.

Poor Hannah.

She was scarred for life!

A.J.

I had just finished getting fucked for this layout when the photographer asked me if I had ever cheated. I immediately said NO! But he could tell I was lying. After the wrap, I confessed that I had and that I kinda liked it. We laughed and he kinda came on to me which I kinda liked. Well, I did it again, with him this time, and I liked it even more than before. I think I'll stay just the way I am.

"It's not funny, Debbie," Chip said. "Not one damned bit."

Debbie's laughter reverberated off the walls of their dingy motel room, mocking him as he sat up in a bed equipped with a coin operated "magic fingers" gizmo. Unfortunately, the mechanism was obviously broken; he had lost three quarters trying to get the confounded thing to work before saying to hell with it and focusing his attentions on Debbie.

***She thought his
was the looniest idea
she had ever heard.***

Now, half an hour later, his passion spent for the time being, Chip looked at her and frowned. "I'm dead serious. If she ever found out about us . . . well, I wouldn't put it past her to use those legs—"

Debbie burst into another round of raucous laughter. She thought it was a big joke, this mounting fear of his. He had brought it up the last few times they had met, hoping against hope to elicit some sympathy. Fat chance. She thought his was the looniest idea she had ever heard.

Because, he thought, Debbie doesn't live with Tanya. She doesn't watch her train in the backyard, doesn't see those watermelons explode, doesn't hear the unnerving POP! when the thick rind cracks and the melon falls to pieces and all that pink juicy meat comes gushing out like . . .

Debbie thought his wife's astonishing talent was nothing more than words on paper, Chip reasoned, a ridiculously brief entry in the latest Guinness Book of World Records . . .

MOST WATERMELONS CRUSHED WITH THE THIGHS IN ONE MINUTE (female) Mississippi's Tanya Peters dispatched 5 watermelons with just her upper legs on July 4, 2017. She performed the feat in Mize, Mississippi at the Annual Watermelon Festival and Flea—

"For starters," Debbie interrupted his train of thought, "she has no idea about us. Tanya's clueless. She's got a one-track mind; all she thinks about is holding on to that record of hers. You said so yourself . . ."

"Yeah, but—"

"But what?"

"Sometimes I think she knows."

"She don't know shit." Debbie placed her hand on his chest. "Look, Chip, I didn't come here to talk about your freaky wife . . ."

She moved her hand down his stomach, sliding it beneath the covers to his rapidly stiffening cock. "Stop thinking about Tanya's melons," she told him, shaking her ample jugs like she did when dancing at the tittie bar where they had met, "and

get a load of these . . .”

Chip didn't get a load of them so much as on them, this after pounding her pussy missionary style, pulling out, and popping off in a big way . . .

He drove home to find Tanya sunbathing on the patio. She wore her favorite swimsuit, a canary yellow one-piece which amplified her plus-size figure. The suit allowed for easy cleanup with a water hose following her high intensity training sessions. Crushing watermelons with one's legs was a messy affair. And pricey. Thankfully her father was a local farmer with his very own melon patch; he was also highly supportive of his daughter's peculiar pastime, supplying her with plenty of cannon fodder for those thunderously thick thighs of hers.

Tanya was feeling frisky this afternoon. Chip barely had time to say hello before she led him to the bedroom. Their heated coupling culminated in her urging him to go down on her. She lay there on the bed, her nipples stiff with excitement, her tree trunk legs parted in anticipation. This was a new development in their relationship, and the source of Chip's growing sense of dread. Tanya had never liked receiving oral pleasure; at least not until shortly after Chip had begun his affair with Debbie.

The timing of his wife's about-face was not lost on him. Chip couldn't help but wonder if Tanya was using their oral lovemaking sessions as trial runs in which to fortify and clarify her murderous moxie.

Now, mouth inches from his wife's cavernous

honeypot, he paused. Debra's mocking laughter filled his head. Was she right? Was he being ridiculous? Was he crazy for thinking that Tanya would actually—

“Come on, baby.” His wife's fingers clawed his scalp; she pushed his head down, lower and lower. “Do it . . .”

Chip did it, employing his tongue to the best of his abilities. He was determined to rock her world, even as he feared for his life. If anything, the fear improved his performance. Perhaps, he reasoned, she'll forgive and forget, just so long as I make her come like she's never—

And that's when Chip, lips pressed to his wife's sex, felt the pressure on both sides of his head. For a brief moment, two or three seconds at most, he thought it was his overactive imagination. But the terror kicked in soon enough when the pressure increased, his wife's upper legs squeezing his head like a fleshy vise.

Chip raised his hands to her knees and pushed, trying desperately to free himself. His efforts were futile. She had him immobilized, his head pinned.

He managed a muffled cry for help, a pathetic whimper.

“Come on, Chip,” Tanya said contemptuously. “Surely you can do better than that . . .”

She let him squirm a little while longer, then she clenched her teeth and squeezed and kept on squeezing like a true world champion.

When Victoria's boss asked her to take in my class at the local college to learn the skills she was missing so she could be promoted, she was furious. But the moment she saw me, she started softening her posture, and getting her panties a little wet. She could barely concentrate on what I would talk about in class. All she cared about was the big giant bulge in my jeans. She was so hot for teacher, I think that she had to run to the bathroom once to relieve the pressure building in her pussy. When I asked to see her after class one night to talk about how unfocused she always seemed, Victoria knew her chance had arrived.
